

1990 NS50F

It's time to make a break for it. Time to declare your independence on a Honda NS50F. The NS50F is a sporty motorcycle that's comfortable and easy to operate. And just like you, it's got a style all its own.

Best of all, the affordable NS50F lets you take up the sport on a dependable, quality-built Honda. And you can add a fairing and other custom accessories that make the NS50F sportier than ever.

Headed downtown? Take your NS50F! It's stylish and easy to park. And it's a lot of fun, too.

### Features

- The NS50F's 49cc liquid-cooled two-stroke engine is both durable and light-weight.
- A low center of gravity contributes to the NS50F's maneuverability.
- Easy shifting six-speed transmission.
- Low seat height and light, narrow design.
- Lockable rear cowl storage box for smaller items.
- Smooth riding single-shock rear suspension system.
- Optional Hondaline® accessories include fairing, radiator shroud, lower cowl, tachometer and engine guard.
- Covered by Honda's 12-month unlimited mileage warranty.†
